

FLORENCE TOWNSHIP RESIDENTS

THE TOWNSHIP WATER DEPARTMENT WILL BE FLUSHING HYDRANTS
FROM SEPTEMBER 20TH THROUGH NOVEMBER 24TH

Please call (609) 499-2518 for flushing dates and times in your specific area. During hydrant flushing the water will become cloudy and it is not recommended to wash laundry during or immediately following the flushing procedure in your area. Additionally, it is recommended that you flush your water heater to remove any sediment that may accumulate.

Please contact us at 609-499-2518 with any questions you may have concerning hydrant flushing or water quality.

Your cooperation during this time is appreciated.

David A. Lebak, Director
Water & Sewer Department
